

What do I need to know before I bring my child to Sunbeams stay and play?

Sunbeams stay and play group is a great way for you and your child to meet new people and make new friends in a friendly, gentle and relaxed atmosphere. All parents, grandparents and carers and their children under five are welcomed to our sessions where you can access friendship, play and educational activities and support.

We meet twice a week in term time

9.30 am to 11.00 am

St Michael's Church Centre 17 Redstone Farm Rd Hall Green B28 9NU

We welcome children from birth to up to school age. Our Stay and Play sessions have regular activities such as story time and craft. Some sessions are busy, you may like to get there at the beginning to be guaranteed a space. Come along and enjoy - you and your child will make long term or even life-time friendship.

What does the group offer me and my child?

Sunbeams leaders ensure a smooth-running group where your child will be able to explore and play safely. Children learn best when they are having fun and our groups offer a wide-range of play activities and educational toys to assist your child's developmental needs. A choice of activities is available depending on the seasons, festivals and the interests of the children in the group. When the weather allows we can offer an outdoor play experience and exploring outside is keenly encouraged.

Sunbeams Sessions will include free-play, messy play, arts and crafts, and will help your child by; encouraging speech and language, encouraging sharing and turn-taking and exploring new and exciting activities.
